Age. 10. In most schools, 5th grade curriculum focuses on United States history, beginning with the colonization of America and possibly continuing through the 20th century. As 5th graders study social studies, they are taught to analyze the reasons behind events, make connections, and compare. As in other grades, since most social studies curricula are specific to a location, consult your child's teacher or your state's social studies standards to find out which specific communities and ...
