Exclusive, patented color-coded boom and load charts allow the operator to easily determine boom extension, boom angle and load capacity. Maximum tip height with three-section 27-70’ (82.30-21.34 m) boom is 80’ (24.38 m). Maximum tip height with optional two-stage 24-40’ (7.31-12.19 m) jib is 120’ (36.57 m).

BOOM TRUCK CRANE FEATURES - Giuffrè

The Altec Heartland product line consists of an Effer knuckle boom (articulating) crane, a 360-degree continuous-rotation grapple saw (33-inch jaw opening, 14-inch cutting depth, 3,300-pound maximum lift capacity) and radio remote controls. These units were designed to allow operators to cut limbs and branches without ever having to leave the ground or touch a piece of the tree. The EC225-6S ...

Master the mysteries of wine. The study of wine and beverages has become integral tohospitality education. The Wine, Beer, and Spirits Handbookmystifies the wine and wine-making process, examining not onlythe making and flavor profiles of wine, beer, and spirits, but alsothe business of wine service as practiced by a chef orsommelier. Unique to this book, is the strong emphasis on food and winepairings, as well as food and beverage interactions. An entirechapter uncovers this broad, often intimidating, topic withdetailed information on table wines, sparkling wines, fortifiedwines, beer and spirits. More importantly, The Handbook explainsthe responsibilities of a sommelier from both service andmanagerial perspectives. Readers explore their wine-related dutiesincluding: the developing of wine lists, identifying faulty wines,ordering, receiving, and storing wines, conducting inventorycontrol, pricing, product research, cellar management, and thehealth and legal implications of wine consumption. A comprehensive, one-stop resource to the character and best useof beverages, The Wine, Beer, and Spirits Handbook will helpevery student, chef, sommelier and wine enthusiast confidentlymaster the mysteries of wine and other beverages.

As the most popular and authoritative guide to recording Modern Recording Techniques provides everything you need to master the tools and day to day practice of music recording and production. From room acoustics and running a session to mic placement and designing a studio Modern Recording Techniques will give you a really good grounding in the theory and industry practice. Expanded to include the latest digital audio technology the 7th edition now includes sections on podcasting, new surround sound formats and HD and audio. If you are just starting out or looking for a step up in industry, Modern Recording Techniques provides an in depth excellent read- the must have book

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.

Vols. for 1970-71 includes manufacturers' catalogs.

The essential M&A primer, updated with the latest research and statistics Mergers, Acquisitions, and Corporate Restructurings provides a comprehensive look at the field's growth and development, and places M&As in realistic context amidst changing trends, legislation, and global perspectives. All-inclusive coverage merges expert discussion with extensive graphs, research, and case studies to show how M&As can be used successfully, how each form works, and how they are governed by the laws of major countries. Strategies and motives are carefully analyzed alongside legalities each step of the way, and specific techniques are dissected to provide deep insight into real-world operations. This new seventh edition has been revised to improve clarity and approachability, and features the latest research and data to provide the most accurate assessment of the current M&A landscape. Ancillary materials include PowerPoint slides, a sample syllabus, and a test bank to facilitate training and streamline comprehension. As the global economy slows, merger and acquisition activity is expected to increase. This book provides an M&A primer for business executives and financial managers seeking a deeper understanding of how corporate restructuring can work for their companies. Understand the many forms of M&As, and the laws that govern them Learn the offensive and defensive techniques used during hostile acquisitions Delve into the strategies and motives that inspire M&As Access the latest data, research, and case studies on private equity, ethics, corporate governance, and more From large megadeals to various forms of downsizing, a full range of restructuring practices are currently being used to revitalize and supercharge companies around the world. Mergers, Acquisitions, and Corporate Restructurings is an essential resource for executives needing to quickly get up to date to plan their own company's next moves.
