Copper King eBook by Vivian Arend - 9781941456507 ...

I picked this one up specifically for Vivian Arend's Copper King. Copper King (Takhini Shifters #1) by Vivian Arend-A shy and secretive black bear shifter meets an alpha (slightly bipolar) grizzly bear and the results are hot enough to melt copper making an unexpected happily ever after. Marked By Temptation (A Coven Pointe Novella)

Takhini Shifters #1

From New York Times bestselling author Vivian Arend, Books 1-4 in the Takhini Shifters series. -- Includes: Copper King Sweet, shy Lillie is in Sin City for a final fling, and billionaire grizzly Jim Halcyon is pleased to oblige. Only when Lady Luck gets involved with these two bear shifters, lust and ambition clash. Laird Wolf Damon Black likes his life as a lone wolf, but when Addie MacShay falls into his arms and asks him to play her boyfriend, Damon sees there is something to be said about finding a mate. A Lady's Heart He may be the bodyguard and not the CEO, but Justin Cullin is powerful in his own right. He gets what he wants—and who he wants is the sweet seductive Lady Amanda Ainsworth. He'll go as slowly as necessary, but he has no intention of stopping until she admits they're meant to be. Wild Prince The prophecy declared at wolf shifter Cole Masterson's birth is still unfulfilled, but his missing mate has shown up—on his stolen skidoo. Dani Neville was looking for a way to escape her bear-clan when she's suddenly tangled up with the most intriguing, sexy wolf-man she's ever met. They're about to be steamrolled toward their ultimate destiny.

From New York Times bestselling author Vivian Arend. --- Three things make billionaire Jim Halcyon's to-do list: women, work...and more women. It's a perfect agenda for a rich shifter who has no problem letting his inner grizzly out to play. From the bright lights of Vegas, to the sophisticated action of New York-he's got the money and the power to do anything he wants. Anything, except resist the lure of Lady Luck, an ancient copper coin he gambles yearly to possess. Jim is determined to regain control of the pretty penny, and damn if he'll let any bit of eye candy distract him from his goal. Not even the mesmerizing woman in the middle of the casino floor with the shimmering hair and enormous green eyes. With a life-changing move ahead of her, Lillie's finagled a temporary layover en route to her future. She's got five days to soak in new experiences, and while Vegas is too big and shiny and loud for her shy bear self, she's eager to do this up right. It's the last chance she's got to let her hair down. Until his challenge begins, Jim is more than willing to oblige Lillie's wish for a final fling. Only Lady Luck has some twists of fate planned for them both...

Cat got your tongue? The historic landlocked paddle-wheeler Tessa Williams spots in Haines, Alaska, strikes her as the perfect location for an Eco-tour B&B. When the owner refuses to sell, though, she's sure a little in-person charm is all that's needed. What she finds is a handsome wolf who greets her with a scalding hot kiss followed by the announcement that they're mates. But she's a cat...and cats don't do insta-mates. Local wolf-slash-owner of said vessel, Mark Weaver, isn't hanging on to the landmark building out of spite. There are more reasons for holding back the sale than are easily explained on paper. The sexual attraction between them isn't in question, just everything else. He wants her. She wants true wuv. His wolf can't figure out what the holdup is. Her cat thinks the entire situation, and the pack, are rather amusing. Somewhere in here is the beginning of a beautiful relationship-if they don't drive each other mad. Warning: One hyper cat, one laid-back wolf. Inappropriate use of permanent markers, and a heaping side dish of cat/dog jokes. Shenanigans (read: nookie) in front of a roaring fire. Spiced liberally with sarcasm. Enjoy!

The first two STAND ALONE paranormal romance novels in the bestselling series Northern Lights Shifters from Vivian Arend. Box Set Includes: Wolf Signs Robyn's deafness doesn't stop her from taking the backcountry trip she's been craving. Meeting Keil, a ripped hunk-of-male at the Yukon cabin starts cravings of a different kind. And raises questions about wolves, mates, and duels to the death. Wolf Flight Tad's workaholicism keeps his bush-pilot company in the air, and his inner werewolf in check. Letting it loose would mean compromising his human principles. Then Missy re-enters his life, and their chemistry is off the charts, pushing him closer to the step he's not sure it's safe to take. ----- Keywords: Canadian Author, paranormal, werewolf, Granite Lake Wolves Pack, fated mates, shifters, small town, alpha hero For readers who enjoy Carrie Ann Ryan, Lauren Dane, Eve Langlais, Jennifer Ashley, and Cynthia Eden.

What does "I Do" mean to you? To Marcellous it means, sacrifice, commitment, dedication, unconditional love, and lust! Janet and Marcellous are a newlywed couple preparing for their one-year anniversary. Being a great husband is a choice that you have to make repeatedly and for one week it's the hardest choice that Marcellous ever had to make!

Dylan takes the vacation of a lifetime to find herself. When confronted with the reality that vampires do exist, her world changes forever. Dylan comes face to face with Nico, a real immortal who catches her and her heart by surprise. Caught in between an exhilarating love affair with the undead and vampire politics at its worst, she finds it difficult to be the only mortal one.

Leather-clad creatures of the night who call themselves "The Band" are constantly on the lookout for new recruits to play music with them--and to follow them into the darkness. Original.

A STAND ALONE story in the bestselling SIX PACK RANCH series by New York Times Bestselling Author Vivian Arend? ----- Nothing comes easy. You've gotta work for it. Matt Coleman always figured at this point in his life, he'd be settled down with a family. Since his ex split for the big city, though, no way will he give anyone else the chance to drop-kick his heart. Physical pleasure? Hell, yeah, he'll take—and give—with gusto, but nothing more. Hope Meridan is working long hours to hold on to her new quilt shop, going it alone since her sister/business partner ran off. Sex? Right, like she's got the time. Not that she doesn't have the occasional dirty fantasy about Matt. Fat chance he'd dream of knocking boots with her—the younger sister of the woman who dumped him. Nope, she'll just have to settle for friendship. Friends would be far easier if there wasn't something combustible going on between them. And when casual interest starts to grow into something more, their tenuous bond strengthens in the heat of desire. But it may not survive the hurricane-force arrival of the last person either of them ever wanted to see again... Warning: Small-town rivals, men in pursuit and family meddling—in good and bad ways. Look for a cowboy who knows how to rope, ride and rein in a hell of a lot more than eight seconds of sheer bliss. Previously published in 2012
Keywords: Canadian Author, cowboy, western, contemporary, small town For readers who enjoy: Jennifer Ryan, Joan Johnston, Kate Pearce, Linda Lael Miller, Lindsay McKenna, Diana Palmer, Maisey Yates, Vicki Lewis Thompson, Lorelei James.
