Education in Daily Life | Michael D. Burroughs | TEDxPSU 6L - Ethical and social issues ~~Ethical And Social Issues In~~ Social issues can be defined as problems or matters which have an influence over a large population. It may affect negatively to a considerable number of individuals in a particular society as a whole. Ethical issues, on the other hand, are problems that have been caused by individuals themselves and these have a negative influence over the individual him/herself as well as over the society. However, social and ethical issues should be eliminated for a smooth functioning of the social structure.
