Harvest of Thorns by Shimmer Chinodya - Goodreads

Synopsis. Harvest of Thorns is an earnest and picturesque analysis of historic events in Zimbabwe. It begins during the country's colonial existence as Rhodesia, with its meaningless confusion and pain, until the moment of final insurrection which opened the gates of the now Zimbabwe. Chinodya builds a tale of pain and suffering with admirable honesty, yet retains mystery and intrigue.

Reading Zimbabwe | Harvest of Thorns

In Shimmer Chinodya's 'Harvest of Thorns' we are shown the glories of revolution along with the darkest costs in them. We are torn in thinking that perhaps the cost is too dire and severe. We are shown the inadequacies of humanity. Yet after all this we are given to understand that the cost is probably worth it at the end of the day.
