Set off on a magical adventure! Elsa and Anna must journey to an enchanted forest-and you can be with them every daring step of the way! Follow their thrilling mission to unlock the truth about Elsa's power and save the kingdom of Arendelle. Meet mysterious spirits and forest dwellers, explore exciting new locations, and discover the secrets of the past. The ultimate companion for Frozen fans, this book includes cool facts from Olaf and quizzes to test your knowledge about your favorite characters and new friends from Frozen 2! ©2019 Disney

What? You don't know what a Burgess is? -- You can't outline the Monroe Doctrine? -- Recall the 14th Amendment? -- Explain the difference between a sputnik and a beatnik? Then you need *The Cartoon History of the United States* to fill those gaps. From the first English colonies to the Gulf War and the S&L debacle, Larry Gonick spells it all out from his unique cartoon perspective.

There is lots of lift-the-flap fun to be had and four flashing sound buttons to press in *Noisy Fire Truck*, a brilliant book for truck-mad kids. Each spread focuses on a different rescue vehicle—from a fire truck to an ambulance, a rescue boat to a helicopter—with an exciting siren and other noises to hear on the press of each button. Lift the flaps and read the simple text to learn about the unique features on each vehicle, and there's a simple matching activity for additional fun. Publishing alongside *Noisy Tractor*.

Don't simply show your data—tell a story with it! *Storytelling with Data* teaches you the fundamentals of data visualization and how to communicate effectively with data. You'll discover the power of storytelling and the way to make data a pivotal point in your story. The lessons in this illuminative text are grounded in theory, but made accessible through numerous real-world examples—ready for immediate application to your next graph or presentation. Storytelling is not an inherent skill, especially when it comes to data visualization, and the tools at our disposal don't make it any easier. This book demonstrates how to go beyond conventional tools to reach the root of your data, and how to use your data to create an engaging, informative, compelling story. Specifically, you'll learn how to:

- Understand the importance of context and audience
- Determine the appropriate type of graph for your situation
- Recognize and eliminate the clutter clouding your information
- Direct your audience's attention to the most important parts of your data

Think like a

designer and utilize concepts of design in data visualization Leverage the power of storytelling to help your message resonate with your audience Together, the lessons in this book will help you turn your data into high impact visual stories that stick with your audience. Rid your world of ineffective graphs, one exploding 3D pie chart at a time. There is a story in your data—Storytelling with Data will give you the skills and power to tell it!

A moving and universal picture book about empathy and kindness, sure to soothe heartaches big and small—now a New York Times bestseller and a perfect gift for any special occasion When something sad happens, Taylor doesn't know where to turn. All the animals are sure they have the answer. The chicken wants to talk it out, but Taylor doesn't feel like chatting. The bear thinks Taylor should get angry, but that's not quite right either. One by one, the animals try to tell Taylor how to act, and one by one they fail to offer comfort. Then the rabbit arrives. All the rabbit does is listen . . . which is just what Taylor needs. With its spare, poignant text and irresistibly sweet illustration, *The Rabbit Listened* is about how to comfort and heal the people in your life, by taking the time to carefully, lovingly, gently listen.

“ At a time when many Americans . . . are engaged in deep reflection about the meaning of the nation's history [this] is an exceptionally useful companion for those who want to do so with honesty and integrity. ” —Shelf Awareness From the author of *How to Think and The Pleasures of Reading in an Age of Distraction*, a literary guide to engaging with the voices of the past to stay sane in the present W. H. Auden once wrote that "art is our chief means of breaking bread with the dead." In his brilliant and compulsively readable new treatise, *Breaking Bread with the Dead*, Alan Jacobs shows us that engaging with the strange and wonderful writings of the past might help us live less anxiously in the present—and increase what Thomas Pynchon once called our "personal density." Today we are battling too much information in a society changing at lightning speed, with algorithms aimed at shaping our every thought—plus a sense that history offers no resources, only impediments to overcome or ignore. The modern solution to our problems is to surround ourselves only with what we know and what brings us instant comfort. Jacobs's answer is the opposite: to be in conversation with, and challenged by, those from the past who can tell us what we never thought we needed to know. What can Homer teach us about force? How does Frederick Douglass deal with the massive blind spots of America's Founding Fathers? And what can we learn from modern authors who engage passionately and profoundly with the past? How can Ursula K. Le Guin show us truths about Virgil's female characters that Virgil himself could never have seen? In *Breaking Bread with the Dead*, a gifted scholar draws us into close and sympathetic engagement with texts from across the ages, including the work of Anita Desai, Henrik Ibsen, Jean Rhys, Simone Weil, Edith Wharton, Amitav Ghosh, Claude Lévi-Strauss, Italo Calvino, and many more. By hearing the voices of the past, we can expand our consciousness, our sympathies, and our wisdom far beyond what our present moment can offer.

Trailblazing Constance ' s hard-won job as deputy sheriff is on the line in *Miss Kopp Just Won ' t Quit*, the fourth installment of Amy Stewart ' s *Kopp Sisters* series. After a year on the job, New Jersey ' s first female deputy sheriff has collared criminals, demanded justice for wronged women, and gained notoriety nationwide for her exploits. But on one stormy night, everything falls apart. While transporting a woman to an insane asylum, Deputy Kopp discovers something deeply troubling about her story. Before she can investigate, another inmate bound for the asylum breaks free and tries to escape. In both cases, Constance runs instinctively toward justice. But the fall of 1916 is a high-stakes election year, and any move

she makes could jeopardize Sheriff Heath ' s future—and her own. Although Constance is not on the ballot, her controversial career makes her the target of political attacks. With wit and verve, book-club favorite Amy Stewart brilliantly conjures the life and times of the real Constance Kopp to give us this “ unforgettable, not-to-be messed-with heroine ” (Marie Claire) under fire in *Miss Kopp Just Won ' t Quit*. "Suspenseful . . . boasts a deeper emphasis on character, politics, and social issues. A must for Constance ' s growing fan base."

—Booklist, starred review "Stewart's intrepid deputy sheriff is back, this time enmeshed in a 1916 local election with uncomfortable contemporary resonance . . . Constance may just have turned 40, but this tough-minded, generous-hearted believer in second chances and equal rights for women looks set for many more adventures. A welcome addition to this sui generis series, always fresh thanks to its vividly imagined characters firmly grounded in historical fact." —Kirkus, starred review "Stewart skillfully builds nail-biting suspense . . . The blend of practicality, forthrightness, and compassion in her first-person narration is sure to satisfy series fans and win new admirers." —Publishers Weekly
