Quel mattino, quando siamo arrivate a scuola, io e Lan non potevamo credere ai nostri occhi: un enorme murale ricopriva un lato della nostra scuola. Chi poteva mai essere il colpevole? Uno sconosciuto che si era divertito a giocare coi colori oppure un nostro compagno che aveva voluto fare un dispetto? E poi... perché un gesto del genere? Purtroppo io sono la figlia del capo della polizia, per cui sarebbe meglio che me ne stessi per i fatti miei, senza giocare all'investigatore e rischiare di mettermi nei guai, magari addirittura essere tacciata come spia. Ecco, il mio gradimento a scuola non ne trarrebbe vantaggio! Per fortuna in questo momento la mia mente è tutta presa da altro, da Eli per la precisione, il ragazzo più carino che abbia mai visto. Lui lavora con me al caffè e io adoro sentirlo vicino, ascoltare la sua voce... Insomma, Eli sta diventando tutto il mio mondo... finché il mio mondo all'improvviso si sgretola, a causa di una bomboletta di spray.

There's a frequency, a vibration that powers the thriving metropolis of Atlanta, Georgia. Chrisette Duncan-Elliott, has tapped into that frequency with her prestigious event planning business, Elite Affairs. Chrisette's company has made an indelible impression on the luxury landscape of high end event planning in the jewel of the south. From baby showers, to bar mitzvah's, Elite Affairs does it all with grand style. But, all that glitters isn't gold. There's another frequency, an undercurrent that courses through the city, leaving broken hearts, empty promises and shattered dreams in its wake. Delve into the lives of the power house women of Elite Affairs and see if anyone comes out unscathed.

The recent political history of Lebanon has been defined by the legacy of war. While much has been written about the tragedy of the civil war, this title is the first book focused on the evolution of the postwar political scene.

Finalist for the 2015 Nero Wolfe Award Finalist for the 2015 Shamus Award With a style as distinct as crime masters such as Elmore Leonard, Carl Hiassen, and Harlan Coben, Michael Craven delivers a richly atmospheric, humorous, fast-paced mystery that introduces unforgettable private eye John Darvelle and brilliantly captures the seductive mood and magnetism of Los Angeles. Private Detective John Darvelle is a man of specific tastes—simple design, smart women, cheap American beer. He's a man of specific opinions—drive a car nobody can remember, avoid brunch at all costs, and don't live in

Brentwood. And he adheres to his own professional code—an indelible blend of commitment, loyalty, and experience. He also plays a lot of ping-pong. Arthur Vonz is one of Tinseltown's most powerful men, a filmmaker among the ranks of Spielberg, Coppola, and Kubrick. He hires Darvelle to find a young woman named Suzanne Neal, an incandescent beauty who just might be hiding something. What starts as an easy assignment soon has Darvelle plunging deep into the seductive and hidden world of Hollywood's elite. A twisting, turning journey that puts him face-to-face with the LAPD, a ruthless underground crime operation, and a cold-blooded killer. It's the case of a lifetime that could end his life.

From Anthea Sharp, author of the Feyland series: *Through the Trapdoor* by bestselling author Marilyn Peake is a classic Feyland tale grounded in the city of Crestview—complete with faerie bargains, foolish hackers, and an intrepid heroine. The action weaves deftly between the real world, the game, and the Realm of Faerie, giving readers a taste of everything Feyland has in store. The fear and intensity of playing the Feyland game had left an indelible mark on Zoë's mind. She had played it when she was fifteen years old, then mostly forgotten about it when she lost access to the sim equipment. One year later, the memories returned with a vengeance. *Through the Trapdoor* is a novelette set within the world of Anthea Sharp's best-selling Feyland series, and is published as a stand-alone story with her permission. It was originally available only in the Feyland Tales anthology organized and published by Anthea.

The acclaimed author of *A Train in Winter* and *Village of Secrets* delivers the next chapter in "The Resistance Quartet": the astonishing story of the aristocratic Italian family who stood up to Mussolini's fascism, and whose efforts helped define the path of Italy in the years between the World Wars—a profile in courage that remains relevant today. Members of the cosmopolitan, cultural aristocracy of Florence at the beginning of the twentieth century, the Rosselli family, led by their fierce matriarch, Amelia, were vocal anti-fascists. As populist, right-wing nationalism swept across Europe after World War I, and Italy's Prime Minister, Benito Mussolini, began consolidating his power, Amelia's sons Carlo and Nello led the opposition, taking a public stand against Il Duce that few others in their elite class dared risk. When Mussolini established a terrifying and brutal police state controlled by his Blackshirts—the squaddristi—the Rossellis and their anti-fascist circle were transformed into active resisters. In retaliation, many of the anti-fascists were arrested and imprisoned; others left the country to escape a similar fate. Tragically, Carlo and Nello were eventually assassinated by Mussolini's secret service. After Italy entered World War II in June 1940, Amelia, thanks to visas arranged by First Lady Eleanor Roosevelt herself, fled to New York City with the remaining members of her family. Renowned historian Caroline Moorehead paints an indelible picture of Italy in the first half of the twentieth century, offering an intimate account of the rise of Il Duce and his squaddristi; life in Mussolini's penal colonies; the shocking ambivalence and complicity of many prominent Italian families seduced by Mussolini's promises; and the bold, fractured resistance movement whose associates sacrificed their lives to fight fascism. In *A Bold and Dangerous Family*, Moorehead once again pays tribute to heroes who fought to uphold our humanity during one of history's darkest chapters. *A Bold and Dangerous Family* is illustrated with black-and-white photographs.

Harris Cartwright, a young A-list actor, is at the crossroads. His career's on fire - in a good way, but a missed step on an evening romp with an alluring stalker brings him to the brink of a strange world. He finds he's been drawn into a dystopian realm and is transformed into the new Gulliver. *Belmundus* is the first book of *The Farn Trilogy*, an adventure into the realms of high society and tyranny — a place where the native cultures have been displaced by an elite force of magicians and a conqueror's brutal hand. Harris Cartwright has been drawn into elite society, but soon discovers his sympathies for the underdog as he searches for an exit and his true-self. Along the way, he makes indelible friendships and

Read Book Indelebile Elit

encounters . . . love. Belmundus, your passport into the Realms of Farn, introduces a tale of ancient history, lingering mystery, tantalizing promises and enduring prophecies. Harris Cartwright soon learns that this alternate reality is truer than any movie set he has ever graced. He's up for the shoot, but is always on the lookout for exit - stage right.

For practicing Optometrists and the Opticians, this book, *A Handbook on Practical Approach to Troubleshooting and Solution in Spectacle Dispensing*, will be helpful in day to day dispensing aspects from selecting the appropriate frame and lenses to the importance of taking proper measurements, the complaints that arise from the patients in failing to do so and how to scientifically rectify the same is written in detail in this book. For Optometry students, this book will be a very comprehensive tool in identifying the various problems that can arise due to dispensing spectacles, and the solution to those problems. Key features: □ In-depth analysis of various complaints that can arise after dispensing a pair of spectacles. □ The methodical and scientific approach in dealing with those complaints. □ Easy to understand even for an inexperienced Optometrist or Optician.

Taking its title from John Keats, *My Silver Planet* contends that the problem of elite poetry's relation to popular culture bears the indelible mark of its turbulent incorporation of vernacular poetry—a legacy shaped by nostalgia, contempt, and fraudulence. Daniel Tiffany reactivates and fundamentally redefines the concept of kitsch, freeing it from modernist misapprehension and ridicule, by tracing its origin to poetry's alienation from the emergent category of literature. Tiffany excavates the forgotten history of poetry's relation to kitsch, beginning with the exuberant revival of archaic (and often spurious) ballads in Britain in the early eighteenth century. In these controversial events of poetic imposture, Tiffany identifies a submerged pact—in opposition to the bourgeois values of literature—between elite and vernacular poetries. Tiffany argues that the ballad revival—the earliest explicit formation of what we now call popular culture—sparked a perilous but seemingly irresistible flirtation (among elite audiences) with poetic forgery that endures today in the ambiguity of the kitsch artifact: Is it real or fake, art or kitsch? He goes on to trace the genealogy of kitsch in texts ranging from nursery rhymes and poetic melodrama to the lyric commodities of Baudelaire. He scrutinizes the fascist "paradise" inscribed in Ezra Pound's *Cantos* as well as the avant-garde poetry of the New York School and its debt to pop and "plastic" art. By exposing and elaborating the historical poetics of kitsch, *My Silver Planet* transforms our sense of kitsch as a category of material culture.
