L'escusa è un libriccino sottile, dai capitoli brevi e incisivi, sebbene condensi al suo interno cos 1 tanti avvenimenti e tante riflessioni affidate principalmente a Marta. L'autore si rivela abile indagatore dei moti della psiche della protagonista e riesce a portarne alla luce le contraddizioni, non senza sostenere una forte critica alla societ à che si arroga il diritto di giudicare ...

Lesclusa - 1908

Dopo oltre un secolo riproponiamo la prima versione de L'escusa, primo romanzo di Luigi Pirandello. Testo importante, dedicato alla condizione della donna e alla sua lotta per l'emancipazione. Apparso a puntate su un quotidiano nel 1901, questa versione del romanzo presenta numerose e rilevanti differenze da quella che sar à l'edizione definitiva (universalmente datata 1908). Parte del ricavato dall'acquisto di questo libro sar à devoluto all'Istituto di Studi Pirandelliani e sul Teatro Contemporaneo, per contribuire alle attivit à di archiviazione, recupero e diffusione del Patrimonio ivi conservato.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

Lesclusa - 1908

This bibliography lists English-language translations of twentieth-century Italian literature published chiefly in book form between 1929 and 1997, encompassing fiction, poetry, plays, screenplays, librettos, journals and diaries, and correspondence.

Lesclusa - 1908

Luigi Pirandello's first novel L'escusa, completed in its earliest form in 1893, straddles two literary worlds. On the one hand, it is clearly rooted in the late nineteenth-century realist mode, especially that of Italian verismo. On the other, Pirandello employs a style and an approach to narrative that anticipate both the theory of writing he would later lay out in his long essay L'umorismo [On Humour] (1908), and the kinds of experimental writing that one associates with the author's later work and with early twentieth-century modernism in general. Examining the novel in light of its relationship to these two worlds not only gives readers insight into the trajectory of Pirandello's work as he developed as a writer, but also marks it as an example of the broader shift towards modernism that was already beginning to be made manifest in the works of novelists across Europe. This book provides a new critical evaluation of L'escusa, linking it explicitly to the theoretical principles aligned with Pirandello's later output and with early twentieth-century literary modernism in general. L'escusa and Pirandello's other early works of fiction have too long been overlooked, particularly by scholars working in English. The aim of this book is not only to connect L'escusa to Pirandello's later, better-known writing, and to literary modernism, but also to bring this forward-looking novel to the attention of readers in the English-speaking world.

Questo libro racconta la storia sorprendente di una donna sospettata di adulterio.

Lesclusa - 1908

This bibliography lists English-language translations of twentieth-century Italian literature published chiefly in book form between 1929 and 1997, encompassing fiction, poetry, plays, screenplays, librettos, journals and diaries, and correspondence.

This represents the first time that Pirandello's Berecche and the War has been translated into the English Language. Pirandello's historical novella, set in the months preceding Italy's entry into the First World War, is amongst much else a highly individual contribution to war literature and historical fiction. As he charts the crisis of those times as it affects the carefully constructed identity of his protagonist, he embarks on a radical questioning of nineteenth-century notions of order, method and discipline. Further, his dialogue with historical narrative leads him to explore and expose the fiction inherent in representing historical reality, and the fictions by which we all live.
