In today's technology-saturated world, information is cheap. The Internet has changed everything for prospects--not to mention for the salespeople who hope to win their business. Prospects no longer need that big sales pitch touting all the features and benefits of a product. What's more, they have come to resent old-school selling techniques. As Marc explains in Game Plan Selling, winning the business of well-informed prospects is very similar to winning in sports. Consistent success--both in sales and on the field--requires a distinct strategy, a repeatable process and a clear plan to execute with commitment and passion. In this highly practical book, you will learn how to: *Separate yourself from the competition; *Use a simple system to close sales more quickly and with greater frequency; and *Create a personal selling plan to virtually guarantee success.

Tired of losing deals, getting hung up on, missing quota, working a lousy territory, and meeting the wrong prospects? This book will turn these into your competitor's problems, and they will no longer be yours. Significantly increase your close ratio Structure a revenue-rich territory Select a winning strategy of differentiation Utilize the latest technologies and Web sites to increase sales Write compelling letters and close appointments with actual decision makers Reduce sales cycle time Establish credibility at the C level Out position your competition These proven techniques will enable you to exceed all of your professional and personal goals. Do not put off your dreams any longer. "August has certainly lived what he writes about. As one of the most successful salespeople in one of MCI's top branches, August had the opportunity to practice what he is 'preaching'. And I can say he had a very successful practice." -Jim Smithberger-Sales Vice President of Staff Leasing, Sales Director MCI, Worldcom, Sales Management, AT&T and Notre-Dame Football All American and NFL player
