Christina Evans ha sedici anni, vive a Los Angeles e frequenta il terzo anno dell'high school. Tra feste, amici e buoni voti, la sua è una vita perfetta. Finché la sua famiglia non decide di trasferirsi a Miami, e per Cris cambia tutto. Da un giorno all'altro viene catapultata in una nuova città e soprattutto in una nuova scuola. Nonostante senta la nostalgia di Los Angeles, riesce rapidamente ad ambientarsi e a stringere amicizia con gli studenti più popolari. Tutti la accolgono calorosamente... tutti tranne Cameron e la sua ragazza Susan, da subito ostili nei suoi confronti. E così, tra grandi e piccole difficoltà, Cris trova una nuova amica, Sam, e un nuovo amore, Matt. Ogni cosa sembra procedere nel migliore dei modi, ma come spesso accade nelle faccende di cuore, i giochi sono destinati a complicarsi. Col passare del tempo, Cameron e Cris comprendono che l'antipatia che provano l'uno per l'altra nasconde in realtà un sentimento ben diverso, e accettare e assecondare questa scoperta vuol dire mettere di nuovo tutto in discussione...

No podrás resistirte a la historia de amor entre Cris y Cam. Sentirás emociones a flor de piel a cada instante y no podrás dejar de leer. Garantizado. ¿Estás preparada para dejarte llevar por el fenómeno My Dilemma Is You? Eres mi adicción. Eres mi locura. Eres mi dilema. Entre fiestas, amigos y buenas notas en el instituto, la vida de Cristina Evans en Los Ángeles no podría ser más perfecta. Pero cuando sus padres le anuncian que deben mudarse a Miami todo cambia. Pese a la nostalgia, Cris se adapta pronto a su nuevo instituto, conoce a los estudiantes más populares y encuentra un nuevo amor. Solo dos personas parecen no acogerla muy calurosamente: Susan y su novio Cameron, con los que discute constantemente. Pero si juegas con fuego puedes llegar a quemarte, y cuando Cameron la mira con sus ojos castaños... Cris siente que el odio podría convertirse en algo muy diferente. My Dilemma Is You recibió más de 20 millones de visitas en la plataforma de autoedición en la que fue publicado inicialmente. Es el fenómeno del que todo el mundo habla. La opinión de los lectores: «Una novela que engancha, fresca y sencilla# como ver una película.» Blog Al ritmo de mis tacones

Can love heal all wounds? At seventeen, Tyler Bruce is hot — a hot mess. His girlfriend is a knockout, his reputation's untouchable, parties are nothing without him. Even his car is unreal. But inside Tyler is broken — and he'll stop at nothing to keep that a secret. Then one summer Eden comes to stay. She's upfront, sharp and far more enticing than a stepsister should be. She also sees straight through Tyler's bad boy façade to the vulnerable kid within. The quiet kid who took all the punches. As Eden draws Tyler in, his defenses start to crumble around him. In his past, vulnerability only brought him danger. But now, it might just bring him everything he needs...if it doesn't break him. As irresistible and dazzling as its Californian backdrop, Just Don't Mention It is a companion novel to the Did I Mention I Miss You trilogy that explores Tyler's story — his heart-stopping tale of past hurt, finding hope and figuring out who the hell he wants to be.

BOOK 3 IN THE SENSATIONAL DIMILY SERIES A year has passed since Eden last spoke to Tyler. She remains furious at him for his abrupt departure last summer but has done her best to move on with her life at college in Chicago. As school breaks up for the summer, she's heading back to Santa Monica, but she's not the only one who decides to come home... Having been left behind to deal with the aftermath of their bombshell revelation and a family torn apart, Eden has no time for Tyler when he reappears. But where has Tyler been? And is she as over him as she likes to think? Or can Tyler and Eden finally work things out, despite their family and against all the odds? The explosive finale to Estelle Maskame's international bestselling DIMILY trilogy, and the highly anticipated conclusion to Eden and Tyler's addictive love story. PRAISE FOR THE DIMILY TRILOGY It's a safe bet the films will be out by 2017. THE OBSERVER Maskame's followers are voracious readers and the Scot has had to grow accustomed to every plot twist being feverishly discussed. THE HERALD Like Zoella, [Estelle] knows a thing or two about self promotion... [the books have] received pretty much universal acclaim from her 125,000 followers. THE TIMES A viral, literary hit! A clever modern twist on the age-old tale of star-crossed lovers. THE HERALD WEEKEND MAGAZINE A new generation of talent! THE SCOTTISH SUN Authors are often advised to write about what they know. Wisely, [Estelle] ignored that advice. THE LIST She's only 17, but Estelle Maskame has already gained a global fanbase. STV The Aberdeenshire schoolgirl has had 4 million hits on Wattpad, signed a three-book publishing deal for her Did I Mention I Love You? series and is still only 17. Did we mention we're jealous? 'THE GRAPH OF GREATNESS', FABULOUS MAGAZINE (SUN ON SUNDAY) Despite facing some tough competition within the YA group, notably from the likes of the Hunger Games' Suzanne Collins, at just eighteen years of age, Maskame has proven herself to be just as worthy of the praise and attention she has so far received, and such praise is unlikely to stop heading her way anytime soon. POPWRAPPED

Read Along or Enhanced eBook: After Groundhog announces six more weeks of winter, half his animal friends are disappointed, while the other half are excited. Each animal asks Groundhog to make his prediction in their favor the following year. Rather than being truthful about the fact that he just "calls it like he sees it," he leads them to believe he can control the weather, accepting their gifts of food and favor. On the next Groundhog Day, he finally admits he made promises he couldn't keep because he was trying to please everyone and makes amends. Matt Faulkner's rich illustrations are packed with hilarious details that will delight readers of all ages. No matter what weather the Groundhog predicts, curling up with this fun book is a great way to spend the winter. From the Hardcover edition.

"Outstanding . . . a wide-ranging invitation to think through the moral ramifications of our eating habits." —The New Yorker One of the New York Times Book Review's Ten Best Books of the Year and Winner of the James Beard Award Author of How to Change Your Mind and the #1 New York Times Bestseller In Defense of Food and Food Rules What should we have for dinner? Ten years ago, Michael Pollan confronted us with this seemingly simple question and, with The Omnivore's Dilemma, his brilliant and eye-opening exploration of our food choices, demonstrated that how we answer it today may determine not only our health but our survival as a species. In the years since, Pollan's revolutionary examination has changed the way Americans think about food. Bringing wide attention to the little-known but vitally important dimensions of food and agriculture in America, Pollan launched a national conversation about what we eat and the profound consequences that even the simplest everyday food choices have on both ourselves and the natural world. Ten years later, The Omnivore's Dilemma continues to transform the way Americans think about the politics, perils, and pleasures of eating.
