~~The Real Reason Nice Guys Finish Last - The Good Men Project~~

A common aphorism is that " nice guys finish last." The phrase is based on a quote by Brooklyn Dodgers manager Leo Durocher in 1946, which was then condensed by journalists. The original quote by Durocher, referring to the Dodgers' bitter rivals, the New York Giants, was, "The nice guys are all over there, in seventh place."

~~Nice Guys Finish Last~~—Wikipedia

“Nice guys finish last.” This quote – which has been floating around since the 1940’s – has been attributed to legendary MLB manager Leo Durocher.

“I believe in rules. Sure I do. If there weren't any rules, how could you break them?” The history of baseball is rife with colorful characters. But for sheer cantankerousness, fighting moxie, and will to win, very few have come close to Leo “the Lip” Durocher. Following a five-decade career as a player and manager for baseball’s most storied franchises, Durocher teamed up with veteran sportswriter Ed Linn to tell the story of his life in the game. The resulting book, *Nice Guys Finish Last*, is baseball at its best, brimming with personality and full of all the fights and feuds, triumphs and tricks that made Durocher such a success—and an outsized celebrity. Durocher began his career inauspiciously, riding the bench for the powerhouse 1928 Yankees and hitting so poorly that Babe Ruth nicknamed him “the All-American Out.” But soon Durocher hit his stride: traded to St. Louis, he found his headlong play and never-say-die attitude a perfect fit with the rambunctious “Gashouse Gang” Cardinals. In 1939, he was named player-manager of the Brooklyn Dodgers—and almost instantly transformed the underachieving Bums into perennial contenders. He went on to manage the New York Giants, sharing the glory of one of the most famous moments in baseball history, Bobby Thomson’s “shot heard ’round the world,” which won the Giants the 1951 pennant. Durocher would later learn how it felt to be on the other side of such an unforgettable moment, as his 1969 Cubs, after holding first place for 105 days, blew a seemingly insurmountable 8-1/2-game lead to the Miracle Mets. All the while, Durocher made as much noise off the field as on it. His perpetual feuds with players, owners, and league officials—not to mention his public associations with gamblers, riffraff, and Hollywood stars like George Raft and Lorraine Day—kept his name in the headlines and spread his fame far beyond the confines of the diamond. A no-holds-barred account of a singular figure, *Nice Guys Finish Last* brings the personalities and play-by-play of baseball’s greatest era to vivid life, earning a place on every baseball fan’s bookshelf.

Chris Wheeler is your normal everyday guy. He has a good job, good friends, and generally has a good life. But there's one thing that Chris wishes he could change. He is tired of being called a

This book is guaranteed to make anyone a more effective business manager, no matter the size of his or her business.

Nice guys never get the girl. Ever. Percy is the biggest nerd in High School and even he knows that. He understands how computers work, likes to prove mathematical conjectures and is even a chess champion. He's also a nice guy. So when Rebecca moves to his small town, he knows not to expect anything. Especially when she starts dating his best friend Logan, the most popular guy in school. What he doesn't expect though is how quickly he becomes popular, how quickly him and Rebecca become friends, or how quickly he falls deeply in love with her. Now while riding the tides of new found popularity he has to choose between Logan, the sole reason why he survived the last four years of high school and Rebecca, the girl of his dreams. Growing up I was a "nice guy" . I always waited for the "right time" that never came. I let her walk all over me because we were "just friends". I couldn't get the girl. This book is for every guy out there who is secretly in love with their best friend, and too "nice" to do something about it.

The companies that win today understand the importance of having systems in place to provide exemplary service, making people a priority over products, putting the client experience at the top of the list and valuing relationships over technology. Successful businesses approach the future with an attitude of high touch over high tech. Nice Guys Finish First provides stories, lessons, concrete takeaways and action items. The reader will go beyond finding out why nice guys finish first and discover how to be successful using the lessons provided. The book walks the reader down a path to becoming a student of Sandler's system: Invest, Inspire and Execute. The chapters break the system down into smaller pieces, guiding the reader through practical application and lessons about leadership, technology, consistency, trust and empowerment. In addition, the book examines the importance of developing a culture of happiness, creating a positive attitude, effectively dealing with failure, managing a better life and mistakes to avoid on the road to success.

To Keyes, such words voice observations we want made. Freud may never have said, "Sometimes a cigar is just a cigar," for example, but we certainly wish he had. For a misquote to become familiar it must come from a well-known mouth. Take "You can't trust anyone over thirty." Abbie Hoffman, right? Or was it Jerry Rubin? Mario Salvo? Mark Rudd? All have been given credit for this sixties catchphrase. Keyes discovered that its real originator was a student named Jack.

Memoirs of an Indian civil servant.

Debunks the "nice guy syndrome," the need to please others at one's own expense with the hope of receiving happiness, love, and fulfillment, and offers advice for how to rediscover oneself, revive one's sex life, and build better relationships with others.
