The conservation and
restoration of books,

Get Free Paper Restoration And

Conservation of manuscripts, documents and ephemera is an activity dedicated to the preservation and protection of items of historical and personal value made primarily from paper, parchment, and leather. When applied to cultural heritage, conservation activities are generally undertaken by a conservator. The

Get Free Paper Restoration And

Conservation
primary goal of

conservation is to
preserve the lifespan of
the object as well as
maintaining its integrity
by keeping all additions
reversible.

~~Leon~~

The idea that paper
Page 23/34

Get Free Paper Restoration And Conservation

Objects can be completely “restored” after many decades of deterioration is false.

True restoration is a very expensive process that requires a highly-trained person, and many people have unrealistic expectations about the results.
