This uplifting new small-group study guide is based on the book Kingdom Marriage and is meant to be used with the Kingdom Marriage Group Video Experience. It instructs every Christ-following couple on how to tap into the power of God as they seek God's purpose and perspective for their marriage. Participants will be led through thought-provoking discussion and application activities as Tony Evans explains how kingdom couples bring light and life to their family and communities (estimated 6-week video study curriculum)."You can reflect the glory of God and the unity of the Trinity through your shared purpose, honor, and love as a true kingdom couple." - Tony Evans

Draws on Christian principles to counsel couples on how to promote marital health, revealing the dynamic between the different personalities of men and women.

With refreshing openness that will grab you from the first page of the Love & War Participant's Guide—designed to help you and your small group fully engage in the topics discussed in the Love & War eight-session DVD group video study—bestselling authors John and Stasi Eldredge candidly discuss their own marriage and the insights they/Eve gained from the challenges they/Eve faced. Each talks independently to the reader about what they/Eve learned, giving their guidance a personal immediacy and balance between the male and female perspectives that has been absent from all previous books on this topic.The Eldredges acknowledge that Marriage is fabulously hard, but they advise you that the sooner you get the shame and confusion of the fabled fairytale marriage off your back, the sooner you/Ell find your way to the real love and happiness you deserve.The Love & War DVD and Participant's Guide show couples how to fight for their love and happiness, calling men and women to step into the great adventure God has waiting for them À together.Walking alongside John and Stasi Eldredge, every couple can discover how their individual journeys are growing into a story of meaning much greater than anything they could do or be on their own.

Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life—or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Pastor Mark Driscoll and his wife, Grace, talk about sex and marriage in down-to-earth terms, hitting issues other Christian books won't. While a wonderful wedding day is important, it's the last day of marriage that really counts. Will the last day of your marriage come prematurely through divorce? Will it be filled with regrets as you sit at the funeral of your spouse? Or, by God's grace, will the last day be a day to rejoice in the life you lived together? Pastor Mark Driscoll and his wife, Grace, want you to finish well on the last day. In this interactive DVD-based study, they share private and painful issues that damaged their own marriage—including his introduction to pornography in elementary school and her abuse as a teenager at the hands of a boyfriend—and how they overcame them to experience healing and joy with each other again. Together they tackle the tough issues, such as: Should I confess my pre-marital sexual sin to my husband/wife? Is it okay to have a "work husband/wife"? Can I say no to my husband/wife? I really do have a headache? What does the Bible say about masturbation and oral sex? From fun date night tips to the most tricky "can we do that?" sex questions, Mark and Grace share practical help and hope with people just like them—who entered marriage a complete mess-or who are planning to be married someday and want to avoid some sticky pitfalls.

In Who did you really marry, you and your spouse will discover how two very different people can become "one" as God intended as it reveals how even opposites get along, communicate, and resolve disagreements, and explains the five "love languages that bring couples closer.
