Provides recipes that intend to promote fast and successful weight loss, including sweet potato pancakes, stuffed cornish game hens, steak fajita lettuce wraps, and slow-cooked chicken curry.

A celebrity nutritionist outlines a food-based, recipe-augmented rapid-weight-loss plan for readers whose initial weight loss has halted, offering 3-day, 5-day and 10-day approaches to repairing stalled metabolic function. By the #1 best-selling author of The Fast Metabolism Diet. 150,000 first printing.

Beverly Hills nutritionist Haylie Pomroy has a long list of loyal celebrity clients - including Jennifer Lopez, Raquel Welch and Reese Witherspoon. With this book she reveals her red carpet secrets - and promises you can lose up to 20lbs in 28 days. On this plan you're going to eat a lot - and still lose weight. You're not going to count a single calorie or fat gram. Instead, you're going to rotate what you're eating throughout each week in proven plan designed to set your metabolism on fire. Phase I (Monday-Tuesday): Lots of carbs and fruits Phase II (Wednesday-Thursday): Lots of proteins and veggies Phase III (Friday-Sunday): All of the above, plus healthy fats and oils By keeping your metabolism guessing, you'll get it working faster. You'll see the weight fall off, your cholesterol drop, your blood sugar stabilize, your energy increase, your sleep improve, and your stress dramatically reduce. All thanks to the miraculous power of real, delicious, satisfying food! Complete with 4 weeks of meal plans and over 50 recipes - including vegetarian, organic, and gluten-free options - this is the silver bullet for anyone who wants to naturally and safely eat their way to a slimmer, healthier body.

"Haylie Pomroy, celebrated nutritionist, and New York Times bestselling author of The Fast Metabolism Diet shares a prescription for total health based on decades of work using food as metabolic medicine. Our bodies are always talking; we just need to learn how to listen to them. Sometimes they whisper to us--our energy is off, our body shape is morphing in ways we don't like. Sometimes they try to give us straight talk, pushing our cholesterol a little higher or we have IBS or indigestion. At other times they're screaming, we're pre-diabetic or full blown, our moods are a mess, and our immune systems confused and attacking us. Every one of these health signals hides a specific kind of metabolic dysfunction, and for each, food is the answer. In her new book, Haylie teaches us that anyone can achieve the body and health they want from the foods that they choose and use"--

This book provides information on slow metabolism, weight problems, obesity, diabetes, hypothyroidism.

#1 NEW YORK TIMES BESTSELLER • Kick your metabolism into gear with a diet program that uses the fat-burning power of food to help you lose up to 20 pounds in 28 days "This is not a fad diet. It's a medically proven method of food as medicine to fight obesity, cure chronic illness, and heal a broken metabolism."--Jacqueline Fields, M.D. Hailed as "the metabolism whisperer," Haylie Pomroy reminds us that food is not the enemy but medicine needed to rev up your sluggish, broken-down metabolism to turn your body into a fat-burning furnace. On this plan you're going to eat a lot--three full meals and at least two snacks a day--and you're still going to lose weight. What you're not going to do is count a single calorie or fat gram, or go carb-free or ban entire food groups. Instead, you're going to rotate what you eat throughout each week according to a simple and proven plan carefully designed to induce precise physiological changes that will set your metabolism on fire. In four weeks you'll not only see the weight fall off, but don't be surprised to find your cholesterol drop, blood sugar stabilize, energy increase, sleep improve, and stress melt away as well. Complete with four weeks of meal plans and more than fifty recipes—including vegetarian, organic, and gluten-free options—this is the silver bullet for the chronic dieter who has tried every fad diet and failed, for the first-time dieter attempting to boost their metabolism, and for anyone who wants to naturally and safely eat his or her way to a skinnier, healthier self.

"200 deliciosas recetas para perder hasta 10 kilos en 28 días"--Cover.

A companion to "The South Beach Diet" presents more than two hundred recipes that demonstrate how to eat healthfully without compromising taste, outlining the diet's basic philosophies and sharing personal success stories.

Practical recommendations for improving diabetes and its related conditions. Includes information on how candida albicans, a yeast, can affect diabetics, the 3x1 Diet® for diabetics, how to find aggressor foods that can spike up blood glucose levels, how to read tricky labels, the truth about cholesterol, what to do when blood glucose levels are resistive and won't go down, natural supplements that can help a diabetic, the sleep patterns that affect diabetes, foods that benefit a diabetic condition and more. This book has hundreds of pages on the subject of diabetes and what practical recommendations you can start applying immediately to improve your condition and get it under control. The intent of the book is to explain in simple terms what most medical or technical books detail in a confusing or incomprehensible way. It emphasizes the metabolism as the principle factor to address and improve in order to improve diabetes. The premise of the book is PRACTICALITY, things to DO and IMPLEMENT immediately to start seeing results and measuring more desirable glucose levels immediately.

New York Times Bestseller Lose 14 pounds in 14 days--harness the power of food to reset your metabolism for good with this breakthrough program complete with recipes and a detailed, easy-to-use diet plan from the #1 New York Times bestselling author of The Fast Metabolism Diet. The diet industry has been plagued with crazy fad diets that do nothing but slow your metabolism and prime your body for yo-yo weight gain. It's time for a change. If you want to lose weight fast, do it in a healthful way, and have the tools and resources to keep it off for life, this is the book for you. Bestselling author, leading health and wellness entrepreneur, celebrity nutritionist, and motivational speaker Haylie Pomroy has the answers. Drawing on her fundamental "food as medicine" techniques, she's created the Metabolism Revolution diet, which strategically manipulates macronutrients to speed the body's metabolic rate, a guaranteed way to kick start a stalled metabolism. Following the Metabolism Revolution plan, you will burn fat, build muscle, improve your skin, boost energy levels, and look and feel great--all while losing weight quickly and keeping it off for life. Backed by the latest science, Haylie's new program, her easiest to follow and most powerful one yet, allows you to determine your body's "metabolic intervention score" and create a customized plan to achieve healthy, rapid weight loss. Complete with meal maps, shopping lists, and more than sixty fabulous recipes, Metabolism Revolution is the proven way to quickly and deliciously drop the weight and leave you slimmer, healthier, and more energetic than ever.
