Gershom Scholem, "Redemption  
through Sin," Two Parts.

Scholem's essay is not really a  
history of Sabbatianism. It is a  
study of a certain way of thinking.  
It looks at the history of the  
movement as revealing important  
truths about the nature of  
Messianism in Judaism, and about  
the condition of Judaism and Jews  
after seventeen hundred years of  
exile and persecution.

In his classic essay "Redemption Through Sin", Scholem argued a different position, seeing Frankism as a later and more radical outgrowth of Sabbateanism. In contrast, Jay Michaelson argues that Frankism was "an original theology that was innovative, if sinister" and was in many respects a departure from the earlier formulations of Sabbateanism.
