and her parents in pieces. Echo feels she is living under her sister's shadow and will never be the happy, care-free person she was or have the lust for life Zoe did. Echo's life hasn't been the same since, then Zoe's boyfriend (Marc) gives Echo Zoe's diary.

SAVING ZOE is a bad book with good intentions. Echo learns that her sister was drugged, raped and videotaped, none of which had anything to do with her murder. Zoe's diary showed her to be a horrible person (although that wasn't Alyson Noel's intention).
