"A compendium of pithy quotes culled from interviews, speeches, the Daily journal, and questions and answers at the Berkshire Hathaway and Wesco annual meetings, offering insights into Munger's remarkable financial success and life philosophies"--Front jacket flap.

Words of wisdom from Charlie Munger—Warren Buffett's longtime business partner and the visionary Vice Chairman of Berkshire Hathaway—collected and interpreted with an eye towards investing by David Clark, coauthor of the bestselling Buffettology series. Born in Omaha, Nebraska in 1924 Charlie Munger studied mathematics at the University of Michigan, trained as a meteorologist at Cal Tech Pasadena while in the Army, and graduated magna cum laude from Harvard Law School without ever earning an undergraduate degree. Today, Munger is one of America's most successful investors, the Vice Chairman of Berkshire Hathaway, and Warren Buffett's business partner for almost forty years. Buffett says "Berkshire has been built to Charlie's blueprint. My role has been that of general contractor." Munger is an intelligent, opinionated business man whose ideas can teach professional and amateur investors how to be successful in finance and life. Like The Tao of Warren Buffett and The Tao of Te Ching, The Tao of Charlie Munger is a compendium of pithy quotes including, "Knowing what you don't know is more useful than being brilliant" and "In my whole life, I have known no wise people who didn't read all the time—none, zero." This collection, culled from interviews, speeches, and questions and answers at the Berkshire Hathaway and Wesco annual meetings, offers insights into Munger's amazing financial success and life philosophies. Described by Business Insider as "sharp in his wit and investing wisdom," Charlie Munger's investment tips, business philosophy, and rules for living are as unique as his life story; intelligent as he clearly is; and as successful as he has been.

Access PDF Tao Of Charlie Munger A Compilation Of Quotes From Berkshire Hathaways Vice Chairman On Life Business And The Pursuit Of Wealth With Commentary By David Clark

Charlie Munger, Berkshire Hathaway's visionary vice chairman and Warren Buffett's indispensable financial partner, has outperformed market indexes again and again, and he believes any investor can do the same. His notion of "elementary, worldly wisdom"—a set of interdisciplinary mental models involving economics, business, psychology, ethics, and management—allows him to keep his emotions out of his investments and avoid the common pitfalls of bad judgment. Munger's system has steered his investments for forty years and has guided generations of successful investors. This book presents the essential steps of Munger's investing strategy, condensed here for the first time from interviews, speeches, writings, and shareholder letters, and paired with commentary from fund managers, value investors, and business-case historians. Derived from Ben Graham's value-investing system, Munger's approach is straightforward enough that ordinary investors can apply it to their portfolios. This book is not simply about investing. It is about cultivating mental models for your whole life, but especially for your investments.

Praise for *Damn Right!* From the author of the bestselling *WARREN BUFFETT SPEAKS*. . . "Charlie Munger, whose reputation is deep and wide, based on an extraordinary record of brilliantly successful business strategies, sees things that others don't. There is a method to his mastery and, through this book, we get a chance to learn about this rare individual." -MICHAEL EISNER, Chairman and CEO, The Walt Disney Company "Janet Lowe uncovers the iconoclastic genius and subtle charm behind Charlie Munger's curmudgeonly facade in this richly woven portrait of our era's heir to Ben Franklin. With a biographer's detachment, an historian's thoroughness, and a financial writer's common sense, Lowe produces a riveting account of the family, personal, and business life of the idiosyncratically complex and endlessly fascinating figure." -LAWRENCE CUNNINGHAM, Cardozo Law School, Author of *The Essays of Warren Buffett: Lessons for Corporate America* "For years, Berkshire Hathaway shareholders and investors worldwide (me included) have struggled to learn more about Warren Buffett's cerebral sidekick. Now we can rest and enjoy reading Janet Lowe's book about this rare intellectual jewel called Charlie Munger." -ROBERT G. HAGSTROM, Author of *The Warren Buffett Way* "Charlie has lived by the creed that one should live a life that doesn't need explaining. But his life should be explained. In a city where heroism is too often confused with celebrity, Charlie is a true hero and mentor. He lives the life lessons that he has studiously extracted from other true heroes and mentors, from Ben Franklin to Ben Graham. This book illuminates those life lessons." -RONALD L. OLSON, Munger, Tolles & Olson llp "Janet Lowe's unprecedented access to Charlie Munger and Warren Buffett has resulted in a first-class book that investors, academics, and CEOs will find entertaining and highly useful." -TIMOTHY P. VICK, Money Manager and Author of *How to Pick Stocks Like Warren Buffett*

A collection of the inspiring words and wisdom from America's favorite businessman that reveal his secrets of success from the bestselling authors of *Buffettology* and *The New Buffettology*. Like the sayings of the ancient Chinese philosopher Lao-tzu, Warren Buffett's worldly wisdom is deceptively simple and enormously powerful in application. In *The Tao of Warren Buffett*, Mary Buffett—author of three books on Warren Buffett's investment methods—joins noted Buffettologist and international lecturer David Clark to bring you Warren Buffett's smartest, funniest, and most memorable sayings with an eye toward revealing the life philosophy and the investment strategies that have made Warren Buffett, and the shareholders of Berkshire Hathaway, so enormously wealthy. Warren Buffett's investment achievements are unparalleled. He owes his success to hard work, integrity, and that most elusive commodity of all, common sense. The quotations in this book exemplify Warren's practical strategies and provide useful illustrations for every investor—large or small—and models everyone can follow. The quotes are culled from a variety of sources, including personal conversations, corporate reports, profiles, and interviews. The authors provide short explanations for each quote and use examples from Buffett's own business transactions whenever possible to illustrate his words at work. As Warren says: "You should invest in a business that even a fool can run, because someday a fool will." "No matter how great the talent or effort, some things just take time: You can't produce a baby in one month by getting nine women pregnant." "Our method is very simple. We just try to buy businesses with good-to-superb underlying economics run by honest and able people and buy them at sensible prices. That's all I'm trying to do." *The Tao of Warren Buffett* inspires, amuses, sharpens the mind, and offers priceless investment savvy that anyone can take to the bank. This irresistibly browsable and entertaining book is destined to become a classic.

Charlie Munger is Warren Buffett's decade-long business partner, and his investment filter, jokingly called by Mr. Buffett - the abominable no man. The early pages cover Munger's family history, his framework for investing [wait for the fat pitches, and assess each opportunity using rational, rigorous frameworks drawn from multiple disciplines (and not finance theory!)], and even some warm testimonials from family, friends and colleagues. The next section, assembled by leading investor Whitney Tilson, is well edited and benefits from Tilson's massaging of quotations made over time into logical sub-headings. The bulk of the text though is, as the subtitle suggests, the wit and wisdom of Mr. Munger as conveyed through various speeches in the last couple decade or so before 2006.

Every year, thousands upon thousands of people make the pilgrimage to the Berkshire Hathaway annual shareholders meeting to hear the wisdom of one of the smartest men in the business—Charlie Munger. Find out what he has to say! Charlie Munger is one of the most successful businessmen in the world. He is worth more than a billion dollars and has spent his career not only honing his own business decision-making abilities but also teaching others to do the same. Now, all of his wisdom and insight into wealth management is collected in one place. Author Oxana Dubrovina wants to give you a crash course in Munger's life-changing philosophy. This success self-help guide and motivational biography will put you

Acces PDF Tao Of Charlie Munger A Compilation Of Quotes From Berkshire Hathaways Vice Chairman On Life Business And The Pursuit Of Wealth With Commentary By David Clark

on the road to a bright financial future by using Munger, as well as other inspirational leaders like Benjamin Franklin, Lee Kuan Yew, and even Jesus Christ, to illustrate important messages about how to live a good, honest, and successful life.

The old saying goes, 'To the man with a hammer, everything looks like a nail.' But anyone who has done any kind of project knows a hammer often isn't enough. The more tools you have at your disposal, the more likely you'll use the right tool for the job - and get it done right. The same is true when it comes to your thinking. The quality of your outcomes depends on the mental models in your head. And most people are going through life with little more than a hammer. Until now. The Great Mental Models: General Thinking Concepts is the first book in The Great Mental Models series designed to upgrade your thinking with the best, most useful and powerful tools so you always have the right one on hand. This volume details nine of the most versatile, all-purpose mental models you can use right away to improve your decision making, productivity, and how clearly you see the world. You will discover what forces govern the universe and how to focus your efforts so you can harness them to your advantage, rather than fight with them or worse yet- ignore them. Upgrade your mental toolbox and get the first volume today. AUTHOR BIOGRAPHY Farnam Street (FS) is one of the world's fastest growing websites, dedicated to helping our readers master the best of what other people have already figured out. We curate, examine and explore the timeless ideas and mental models that history's brightest minds have used to live lives of purpose. Our readers include students, teachers, CEOs, coaches, athletes, artists, leaders, followers, politicians and more. They're not defined by gender, age, income, or politics but rather by a shared passion for avoiding problems, making better decisions, and lifelong learning. AUTHOR HOME Ottawa, Ontario, Canada

Each year, for thirty years, two veteran investment advisors attended Berkshire Hathaway's Annual Shareholders Meeting. After each meeting, they chronicled Warren Buffett and Charlie Munger's best lessons from that year. This book compiles those thirty years of wisdom for the first time.

Principles of Charlie Munger : Quotations from the Altruistic Business Icon of an Era Charlie Munger was a businessman with considerable passion to get rich. He used for decades to run one of the most successful companies in the world. The great man teaches you the investment approach and ideas about life. The great investor was Berkshire Hathaway's visionary vice chairman and Warren Buffet's financial partner. His approach "elementary, worldly wisdom" involves economics, business, psychology, ethics, and management allows his emotions out of his investments. The book concludes the essential steps of Munger investing strategy. His straight forward approach of investment believes any investor can do the same. His words cultivate mental models for investments. The book includes the short life history of Charlie Munger and his famous quotes.
