The Magicians Hat

The Magician's Hat is about dreaming big and using books to help children achieve their dreams. The author's personal story is an inspirational one as well. He genuinely cares about getting books in children's hands. The illustrations are also beautiful. I loved the book so much that I asked my library to get it.

The Magician's Hat: Amazon.co.uk: Mitchell, Malcolm ...
The Magician's Hat is about a magician who performs a magic show at a special library event. Each kid pulls a book out of the magician's hat and the book shows the kid what they will be in the future. It's deep, it's cute, it's inspiring and a wee bit cheesy, but I'm okay with it.

The Magicians Hat

Walter Brown and the Magician ' s Hat – the blurb A sneak peek at Chapter One Walter Brown has black and white illustrations scattered throughout – a perfect read for ages 7-9. It also includes the first two chapters of The Secret Lake & Eeek! at the end.

Walter Brown and the Magician ' s Hat (7-9+rs) | Karen ...

The lanky white magician even convinces a skeptical kid who claims to want to be a dog when he grows up: deep down the boy wants to be an astronaut, so the magic hat gives him a book about space. There are missed opportunities to promote the joy of reading for its own sake, as well as to encourage perseverance when reading does not feel like magic.
