All hell breaks loose in Meljean Brook's erotic, supernatural debut novel. Lilith, a demon, has spent 2,000 years tempting men and guaranteeing their eventual damnation. That is, until she meets her greatest temptation: the man whose life mission has been to kill her.

Book One of The Guardians Series ??? 2016 FINALIST, THE DAPHNE DU MAURIER AWARD FOR EXCELLENCE IN MYSTERY/SUSPENSE ??? "You're a jackass." Will turned that pale gaze on her, and she cursed the color that immediately flushed her cheeks. "Because I told him the truth?" "Because you're a jackass." She looked at Rafe. "Don't worry. He's all bark." "Am I now?" She heard the taunt in those words—her cheeks were on fire—but she didn't deign to look at him. "Like one of those little purse dogs. All yap." Rafe appeared skeptical. "He looks like a wolf." "Wool." Will said. ??? Cheyenne Elias has inherited a child. A boy she doesn't know and doesn't particularly want; a boy whose mother was once Cheyenne's most hated person in the world. There are a million reasons to walk away: her anger, her past, her certainty that there is nothing benevolent in this act by a woman who almost killed her. But abandoning the boy to a system she barely survived is not an option. Will Blackheart has lost everything. His SEAL team, his country, and—upon occasion—his mind. Worse, he's lost something that has the capacity to kill thousands. Left for dead in the Afghan desert, Will has risen solely to regain that which was taken...and to punish those who dared take it. His only lead is the son of a dead woman. Her only goal is to save a child. As they come together in a clash of anger, mistrust, and potent, unwanted desire, Will and Cheyenne must put aside their differences and navigate the endgame of a woman for whom nothing was taboo... A steamy thriller with characters you won't forget...romantic suspense at its best. ????? "Isn't it wonderful, as a reader, to pick up a book you are skeptical of and find yourself in the hands of an expert lover of words?" ????? "Gripping. Dark. Beautiful."

How far can fate make you fall?When Adelaide turned twenty, losing her parents and gaining custody of her fifteen year old sister was not part of her plan. If being a shifter in a world where her kind is hunted wasn't bad enough, she now has to protect her sister too. Adie has no choice but to move into the old house her parents left them, or risk being on the streets in a dangerous world.Only she didn't expect to be living next door to a strange, and very attractive, group of men who are far more than human. They offer her protection in exchange for keeping their reason for hiding with the humans a secret, and helping them.But protection comes at a cost and the cost is something none of them could have expected.A cost that's been destined. A cost that has weaved for Adelaide. A cost that even princes cannot escape.(Her Guardians series spin-off)Reverse Harem17 +

A post-apocalyptic debut novel in a tradition that includes The Hunger Games and Station Eleven, this vision of a possible future shows humanity pushed beyond its breaking point, the forging of vital bonds when everything is lost, and, most centrally, a heroic young woman who crosses a frozen landscape to find her destiny. Lynn McBride has learned much since society collapsed in the face of nuclear war and the relentless spread of disease. As the memories of her old life continue to surface, she's forced to forge ahead in the snow-drifted Canadian Yukon, learning how to hunt and trap and slaughter. Forget the old days. Forget summer. Forget warmth. Forget anything that doesn't help you survive in the endless white wilderness beyond the edges of a fallen world. Shadows of the world before have found her tiny community—most prominently in the enigmatic figure of Jax, who brings with him dark secrets of the past and sets in motion a chain of events that will call Lynn to a role she never imagined. "With elements of Cormac McCarthy's The Road and TV's The Walking Dead, (Kirkus Reviews) The Wolves of Winter is both a heartbreaking, sympathetic portrait of a young woman searching for the answer to who she's meant to be and a frightening vision of a merciless new world in which desperation rules. It is enthralling, propulsive, and poignant.

From the No. 1 bestselling author of WAR LORD comes an epic retelling of the Arthurian legend, from the bestselling Last Kingdom series In the Dark Ages, a legendary warrior arises to unite a divided land . . . Uther, the High King of Britain, is dead. His only heir is the infant Mordred. Yet each of the country's lesser kings seek to claim the crown for themselves. While they squabble and spoil for war, a host of Saxon armies gather, preparing for invasion. But no one has counted on the fearsome warlord Arthur. Handed power by Merlin and pursuing a doomed romance with the beautiful Guinevere, Arthur knows he will struggle to unite the country - let alone hold back the Saxon enemy at the gates. Yet destiny awaits him . . . From the epic and bestselling author who has gripped millions. _____"Of all the books I have written these are my favourites" Bernard Cornwell "Spellbinding realism" The Times

I knew nothing about mates until the alpha rejected me... Growing up in one of the biggest packs in the world, my life is planned out from the second I turn eighteen and find my true mate in the moon ceremony. Finding your true mate gives you the power to share the shifter energy they have, given to the males of the pack by the moon goddess herself. The power to shift into a wolf. But for the first time in the history of our pack, the new alpha is mated with a nobody. A foster kid living in the packs orphanage with no ancestors or power to claim. Me. After being brutally rejected by my alpha mate, publicly humiliated and thrown away into the sea, the dark wolves of the Fall Mountain Pack find me. They save me. The four alphas. The ones the world fears because of the darkness they live in. In their world? Being rejected is the only way to join their pack. The only way their lost and forbidden god gives them the power to shift without a mate. I spent my life worshipping the moon goddess when it turns out my life always belonged to another... This is a full-length reverse harem romance novel full of sexy alpha males, steamy scenes, a strong heroine and a lot of sarcasm. Intended for 17+ readers.
